提示：請仔細觀察以下三幅連環圖的內容，並想像第四幅圖片可能的發展，然後寫出一篇涵蓋每張圖片內容，且結局完整合理的故事。

Jam loves eating fast food. He usually eat it three times a week. When he ordered food, he often choose cola, hamburgers, french fries and fried chicken. He always think that he is young and wouldn't get heavy.

After few months, he got heavier. He realized that he couldn't eat any fast food anymore. He started feeling that he couldn't breath well and couldn't walk very fast. Then he decided to make some change.

He went to gym ^{to jog} three times a week. And ate healthy food. Besides that, he drank a lot of water too. He hoped that he can be similar soon.

After one year, he finally gets a healthy body. He reach the average weight and turns more handsome than

before. He also gets a pretty girlfriend.
